Tremco Roofing and Building Maintenance to Offer MedAssets Customers Facility Solutions

BEACHWOOD, Ohio (May 3, 2010) – [Tremco Roofing and Building Maintenance](#) is proud to announce that it is now a contracted supplier of roofing and waterproofing solutions for [MedAssets](#), one of the country's largest healthcare Group Purchasing Organizations (GPOs).

Under the national agreement, which runs through December 31, 2012, Tremco Roofing will offer a wide variety of products and services to MedAssets healthcare provider customers. This includes solutions for facility assessments and planning; façades and walls; windows; roofing; leak response, emergency water extraction and remediation; paving and much more.

“This agreement is in line with our goal of assisting hospitals and health systems as they enhance their financial strength through improved operating margins and cash flow,” said Mark Miriani, president of MedAssets Supply Chain Systems. “Working with Tremco Roofing to develop plans that result in long-term facility improvements, our customers can better allocate both capital and operational dollars. More effective facility budgeting and better performing buildings can have a direct, positive impact on our customers’ bottom lines.”

Deryl Kratzer, president of Tremco Roofing and Building Maintenance, said, “We are delighted that MedAssets
