

AlphaGuard® PUMA Cleaner

Clear methyl methacrylate cleaning liquid

DESCRIPTION:	AlphaGuard PUMA Cleaner is a clear, liquid methyl methacrylate cleaning agent.
BASIC USES:	AlphaGuard PUMA Cleaner is ideal for cleaning application tools used during AlphaGuard PUMA installations.
PACKAGING:	6 gallon (22.71 L)
COLOR:	Clear.
STORAGE LIFE:	<p>12 months in unopened containers. Recommended storage conditions are indoors in a ventilated, dry area removed from heat, open flame, ignition sources, and direct sunlight. Storage temperatures should range from 60-70°F (15-21°C) and must not exceed 110°F (43°C).</p> <p>On the job site, materials should remain on the pallet until use and be stored in a shaded, ventilated area. Materials should be covered with a light-colored, reflective tarp for protection against the elements. Allow for adequate air flow inside the pallets.</p> <p>Shelf life could be effected if the product is not stored properly.</p>
APPLICATION:	Usage: AlphaGuard PUMA Cleaner can be poured into a separate container and used to clean application tools used during AlphaGuard PUMA installations including paddle mixers detailing tools, etc. The cleaner can be reused several times until heavily soiled.
PRECAUTIONS:	Use Tremco AlphaGuard PUMA with adequate ventilation. If the product is applied in enclosed areas without natural ventilation, forced ventilation must be arranged. Avoid strong concentration of vapor as well as direct contact with skin or eyes. Users must read container labels and Material Safety Data Sheets for health and safety precautions prior to use.
MAINTENANCE:	Your local Tremco Roofing Representative can provide you with effective maintenance procedures which may vary, depending upon specific conditions. Periodic inspections, early repairs and preventative maintenance are all part of a sound roof program.
TECHNICAL SERVICES:	Your local Tremco Representative, working with the Technical Service Staff, can help analyze conditions and needs to develop recommendations for special applications. The services of the Tremco Research Center, which has earned a unique reputation in weatherproofing technology, complement and extend the services of the Tremco Technical Service Staff.
