Thank you for selecting Republic Restoration Systems by Tremco! Republic Restoration Systems by Tremco are designed to eliminate costly replacement of existing metal, single ply, modified and built-up roof systems. Our unique waterproofing system for exterior walls completes our restoration package for optimum building protection. To assist you in installing each system in accordance with Tremco's specifications and to provide Technical Service Support including contractor training, on-site project inspections and final project acceptance requirements, your cooperation in completing the attached paperwork is essential.

Tremco's NOA in a single document provides (1) complete project information, (2) warranty selection and (3) request for inspection. Your prompt attention in providing this information will assist us in timely processing of the project, avoid delays in material shipment and scheduling of requested Technical Service inspections.

NOTICE OF AWARD (NOA) / REVIEW / APPROVAL

- Pages 1, 2, and 3 of the NOA are to be emailed to Tremco for review and approval **prior to material shipment**. The NOA form must be received at least two weeks prior to the project starting date, **accompanied with pictures, IR scan and core cut results**. If the NOA contains incomplete information and/or deviates from our current details and specifications, you will be contacted by Tremco's Technical Service staff.
- Accuracy is important when completing the NOA. The warranty will be printed using the information as submitted on this form. Changes to a warranty after it is issued may delay final payment to you from the building owner.
- Upon approval by Tremco Technical Service, a job number will be assigned and a countersigned copy of the NOA will be forwarded to you.

STANDARD TERMS & CONDITIONS OF SALE

Terms: Our standard terms are 2% 10, net 30 days, F.O.B. nearest stocking warehouse. Payment will also be accepted in the form of Visa, MasterCard and American Express. A finance/late charge of 1.5% per month will be charged on all accounts over 60 days old (30 days past due). All accounts 60 days old (30 days past due) will be placed on credit hold until payment is received.

Freight: Standard freight terms are F.O.B. stocking plant and/or warehouse. Common carrier freight charges are prepaid and added to invoices as a separate item. Freight fees are actual charges + 20% administration fee.

Return Goods: All sales are final. No goods may be returned for any reason without our prior written authority. When goods are returned for reasons other than our error in filling customer's order, a credit for returned goods will be issued at original invoiced value - less a 25% restocking/handling fee. Authorized returns are to be shipped F.O.B. our warehouse, as designated by Tremco. Any unauthorized returns will be refused upon arrival, at the shipper's expense. In any case, materials that have aged 3 months from date of shipment or are specially formulated/package to customer specification are not acceptable for return.

Warranties / Guarantees: Seller warrants that products designated, when shipped, conform to product sample and are free from defects in material and workmanship. Any purchase is made upon the condition and agreement that there have been no representation of undertakings made by or on behalf of manufacturer and/or seller, and that THERE ARE NO GUARANTEES OR WARRANTIES, EXPRESSED, IMPLIED, IN FACT OR BY LAW, OF FITNESS OR MERCHANTABILITY except as contained in product specifications distributed by the company.

Manufacturer and/or seller shall not be responsible, obligated, or liable for any application or use of or to which the products delivered hereunder may be put, either singly or in combination with other products or ingredients, it being expressly understood and agreed that manufacturer's and/or seller's liability shall in no event exceed the purchase price. Prices will be those in effect at time of delivery. 11.01.2013
